

ChessonLabs

Chesson Labs Signs Agreement with Sphaera Pharma Private. Ltd.

DURHAM, NC, USA. August 20, 2009 ----- Chesson Labs & Singapore and India based Sphaera Pharma Private. Ltd. today announced that they have signed an agreement to help bring Chesson Labs' liquid bandage to the India market. This announcement comes just two weeks after Chesson Labs announced they had received 510(k) market clearance from the FDA for their liquid bandage product. Chesson Labs plans on leveraging this agreement to gain access into other markets in the region for its liquid bandage product.

"We are very happy with the agreement which has been reached." said Scott Neuville, President and CEO. "Sphaera is a wonderful organization with many synergies that will complement our efforts at Chesson Labs."

"When we learned of the technology that Chesson Labs had developed, we felt it was the perfect product and excellent timing to take to the healthcare marketplace in India. We are looking forward to a very profitable relationship." said Sundeep Dugar, President & CEO of Sphaera Pharma Pte. Ltd.

ABOUT SPHAERA PHARMA

Sphaera Pharma is an integrated Drug Discovery and Development company. It combines within one organization an experienced management team and a cost effective discovery resources platform in India and Singapore.

The company's goal is to bring innovative therapeutics to patients with unmet medical needs by developing a balanced portfolio of early stage discovery projects and clinical programs using its global organization and resources.
