FOR IMMEDIATE RELEASE

Dhiren R. Thakker Joins Chesson Labs Board of Directors and Scientific Advisory Board

DURHAM, NC, USA. April 22, 2008 ----- Chesson Labs, a Durham-based healthcare products company, today announced the election of Dhiren R. Thakker Ph.D. to its Board of Directors, as well as his appointment to the Scientific Advisory Board. Thakker brings more than 30 years of scientific and business experience in the healthcare industry.

Chesson is extremely fortunate to have attracted such a seasoned and valuable asset to serve Chesson Labs," said Scott Neuville, President and CEO. "With his background in both business and in the health care arena, Dhiren Thakker is a critical addition to our team."

Thakker is the Ferguson Distinguished Professor, and also has served as the Associate Dean for Research and Graduate Education at the School of Pharmacy, UNC-Chapel Hill, for the past ten years. His past experience includes working with Glaxo Inc. as Director of the Drug Metabolism Department, the NIH, and the FDA. Thakker is also founder and member of the Board of Directors at Qualyst Inc. He has been honored as the recipient of Sato Memorial Award, the Pharmaceutical Society of Japan; and as a Fellow, the American Association of Pharmaceutical Scientists.

ABOUT CHESSON LABS

Chesson Laboratory Associates, Inc. is a privately funded healthcare products company founded in 2006. Chesson Labs' proprietary products for use by consumer and medical professionals in development are based on innovative polymer-based patented and patent pending technology.

Chesson Labs is headquartered in the University Tower in Durham, NC, with a research and development facility less than 10 miles away. For more information, visit www.chessonlabs.com
