FOR IMMEDIATE RELEASE

Renowned Dermatologist, Richard K. Scher, M.D., joins the Scientific Advisory Board at Chesson Labs

DURHAM, NC, USA. July 15, 2008 ----- Chesson Labs, a Durham-based healthcare products company, today announced the appointment of Dr. Richard K. Scher to their Scientific Advisory Board. An internationally known expert and pioneer in nail disease treatment and surgery, Dr. Scher is known in the industry as "The Nail Doctor."

"We are honored to have Dr. Scher participate on our Scientific Advisory Board" said Scott Neuville, President and CEO of Chesson Labs.

Dr. Scher is Professor of Dermatology at the University of North Carolina, and Head, Section for Diagnosis and Treatment of Nail Disorders. Before joining UNC, Dr. Scher was an Attending Physician and Professor of Clinical Dermatology at Columbia University Presbyterian Medical Center in New York. While at Columbia he started the Center for Nail Studies. Dr. Scher is a past president of the American Academy of Dermatology. As well as a former editor-in-chief of Dialogues in Dermatology, the academy's premier audio educational program.
