FOR IMMEDIATE RELEASE

Renowned Podiatrist, Warren S. Joseph, D.P.M., joins the Scientific Advisory Board at Chesson Labs

DURHAM, NC, USA. July 9, 2009 ----- Chesson Labs, a Durham-based healthcare products company, today announced the appointment of Dr. Warren S. Joseph to their Scientific Advisory Board. An internationally recognized Podiatrist, Dr. Joseph lectures extensively and his presentations have focused on the treatment of bacterial and fungal infections of the lower extremity.

"We are very pleased that Dr. Joseph will be serving as a member of our Scientific Advisory Board." said Scott Neuville, President and CEO of Chesson Labs. "He will be a great asset to the company."

Dr Warren S. Joseph is a podiatric attending at Roxborough Memorial Hospital in Philadelphia, PA and at the Coatesville VA Medical Center and a consultant in the treatment of lower extremity infectious diseases. He received his podiatric degree, magna cum laude, from W.M. Scholl College of Podiatric Medicine in Chicago. Dr Joseph is a fellow of the Infectious Diseases Society of America and sits on the IDSA Diabetic Foot Infection Guidelines Committee. He is also certified by the American Board of Podiatric Orthopedics and Primary Podiatric Medicine, and currently serves as Editor of the *Journal of the American Podiatric Medical Association*.
